

The Bethany Children's Trust

Champions for Children

BCT is looking for Champions – people from all walks of life who can help raise awareness of BCT's work in their churches and amongst their friends.

Our Champions for Children commit some of their time, skills and influence to BCT, so that more and more marginalised children can reach their God-given potential.

What would you do as a Champion for Children?

- Promoting BCT campaigns.
- Sharing BCT news and information within your church and friendship network.
- Networking with people within your sphere of influence who could use particular skills for the benefit of BCT.
- Profile BCT's work on social media, wherever possible.
- Arrange or help with fundraising events.
- Be prepared to speak about BCT's work at your church. (Optional!)
- AND if you have particular skills which would be of benefit to BCT (eg in visual media, IT, general technical knowhow, administration or French language), we would love to hear from you.

How will BCT help you?

- A member of the BCT staff team on standby to offer support and guidance.
- We will provide a BCT speaker for your church/event when needed.
- Copies of our *Bethany* magazine and prayer diary every three months.
- Sets of our regular campaign materials for distribution within your church.
- Identification as the BCT contact for your church.

What difference will you make?

- You will be the 'front line' in ensuring children at risk have a voice in your church and your local community.
- You will connect skilled people with the work of BCT.
- Your work will be influential in raising awareness and funds for BCT projects.
